

# Pack Your Shit and Go

By **Bill Maher**

**All the votes have been counted,  
All the courts have said no.  
You're all out of options –  
Now pack your shit and go.**

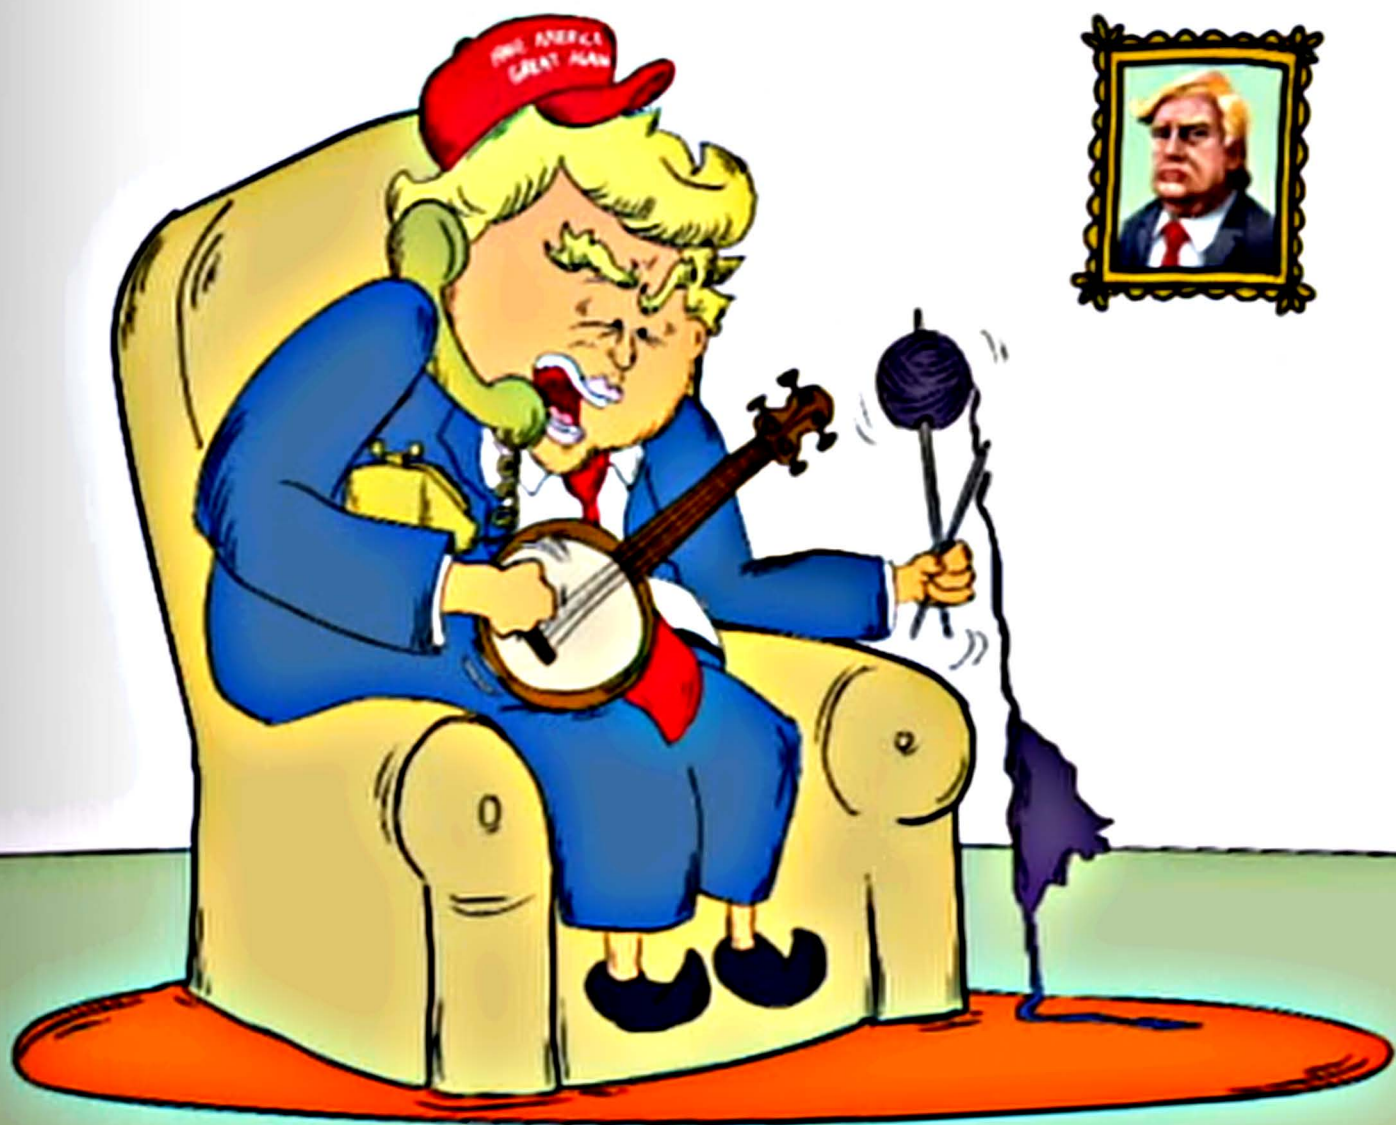

**It's clear that you're angry,  
That you're feeling quite low...  
That feeling's called losing,  
So pack your shit and go.**

**Pick up a new hobby,  
Like knitting or banjo.  
Call your favorite hooker...  
Just pack your shit and go.**

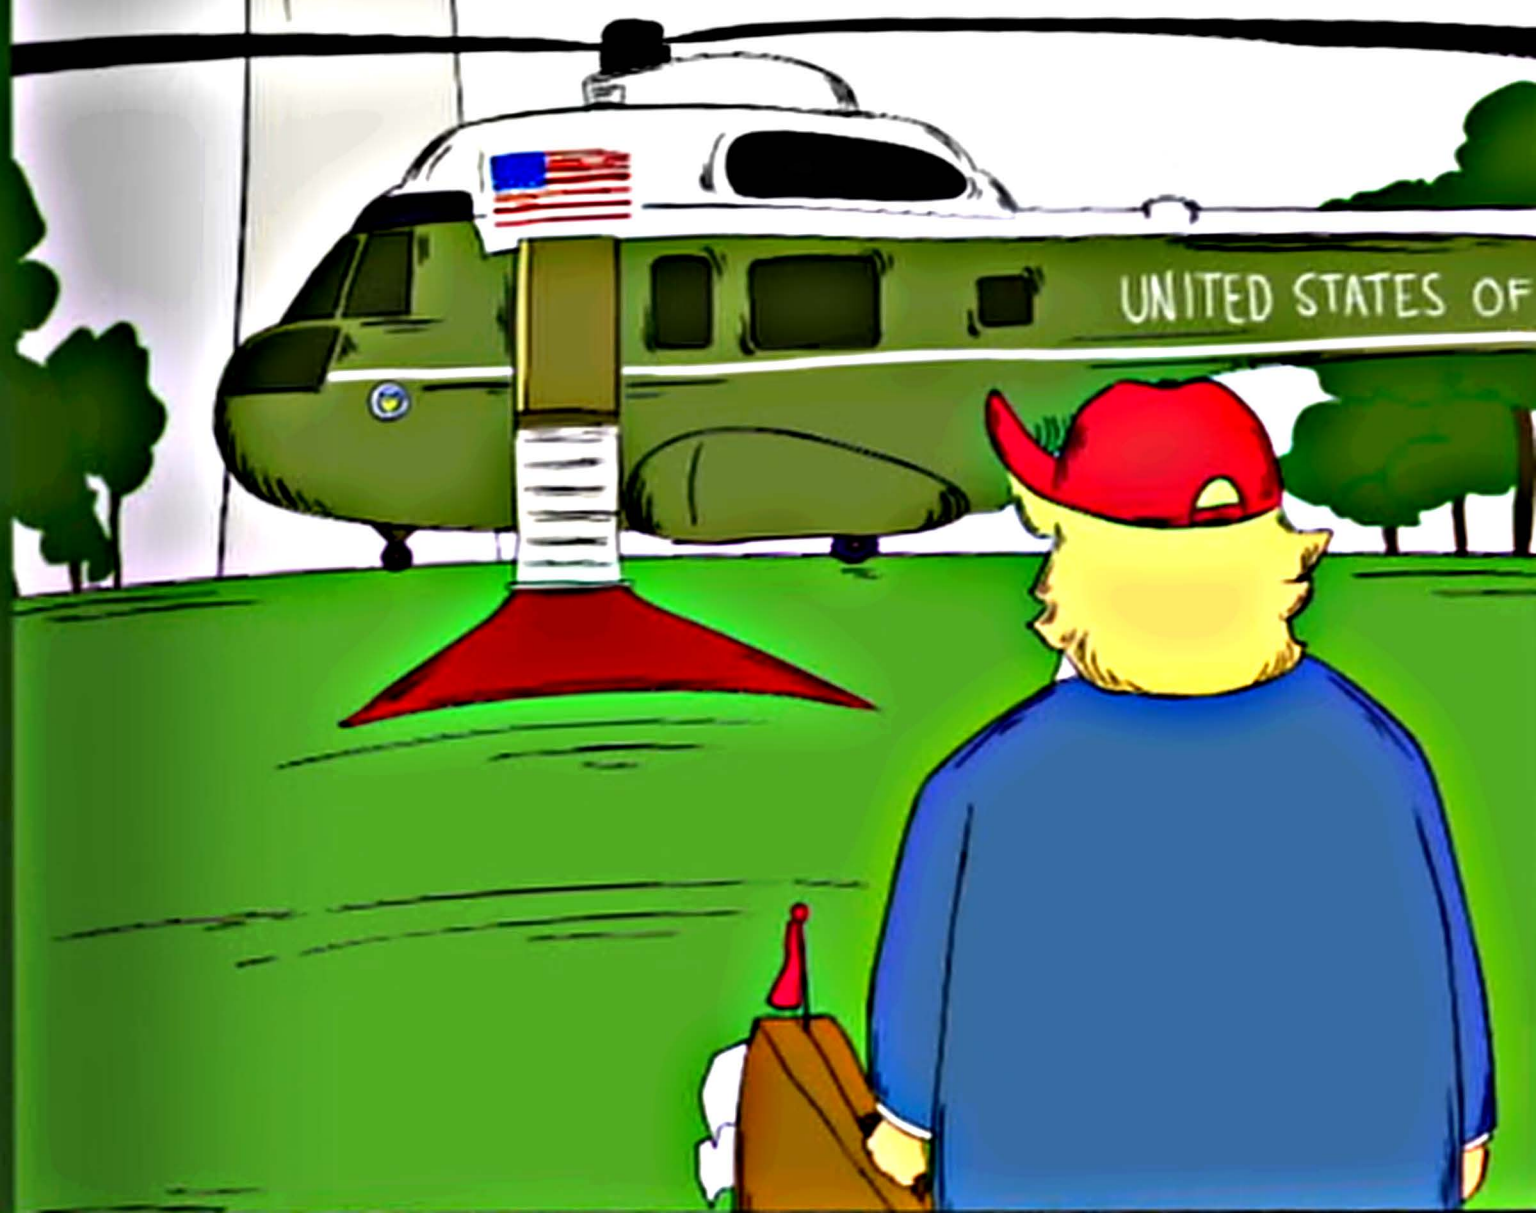

**Start a cable network,  
Try talk radio,  
There's an opening at Limbaugh...  
But you gotta pack your shit and go.**

**Cuz you treated your job  
Like a reality show...  
Well, now it's been cancelled  
So pack your shit and go.**

Bye  
Don!
